CLUB NEWS

4-H Explorers Meeting Notes Submitted by Destiny Moore

The 4-H Explorers met Saturday June 13 for our regular monthly meeting. Christian Ford called the meeting to order and read minutes from the last meeting. Roll was taken by Destiny Moore and Joshua Ford provided an update on the club savings account balance. Congratulations go out to Rosie whose new baby sister arrived last week! In today's club meeting we reviewed summer safety tips such as wearing sunscreen, drinking plenty of water and remember to wear your bicycle helmet. Each club member also assembled mini first aid kits that included bandages, gauze, alcohol swabs and other items to use while out on summer vacation. The club voted not to have regular meeting for July however we will have a meeting in August. In lieu of our meeting we will be taking several trips including Discovery Place, Nascar Speedpark, and the splash pad in Kannapolis. The meeting was adjourned by Shae McCollough
